# The *Commonweal* Brand

*Commonweal* magazine, founded in 1924, is the oldest independent lay Catholic journal of opinion in the United States. Since its founding the magazine has been liberal in temperament, opinionated and engaged, but tolerant in tone, prioritizing discussion over sectarianism.

The fall of 2021 marks *Commonweal*'s **ninety-seventh year of publication**. That's no minor milestone, especially in an age where readers increasingly look to their screens rather than the page for news and information. Yet for *Commonweal*, the print magazine **remains essential** to the *Commonweal* brand: serving as the forum for civil, reasoned debate on the **interaction of faith with contemporary politics and culture**.

Although tolerant in tone, *Commonweal* has never shrunk from taking strong and often controversial stands. The editors condemned the firebombing of Dresden and the use of atomic weapons at Hiroshima and Nagasaki in World War II. They have criticized American racism; supported resistance to U.S. involvement in Vietnam; and took issue with not only the 1968 papal encyclical *Humanae vitae* but also the 1973 Supreme Court decision *Roe v. Wade*. Today the magazine maintains prolife

convictions while being critical of single-issue abortion politics, and provides a space for marginalized voices.

Since its founding, *Commonweal* has staked a claim for Catholic principles and perspective in American life. It has been credited with preparing American Catholics for Vatican II and its aftermath. Readers say it has helped them weather the church's sex-abuse scandal and work through questions related to the role of women, the relationship between religion and politics, and church teachings on sexuality. The magazine has an ongoing interest in social justice, ecumenism, just-war teaching, liturgical renewal, women's issues, the primacy of conscience, and the interchange between Catholicism and liberal democracy. As it has throughout its 96-year history, *Commonweal* continues to publish leading contemporary writers, public figures, and theologians.
